

Square Jewelry Case

Description

This metal-based square jewelry case from D.B. Imports is perfect for storing your most precious items and displaying them in style. It features a wood and tempered glass cover, which locks securely to keep your valuables safe and secure. The metal base gives the piece structure and stability while adding an extra layer of protection from potential scratches or scuffs. With its modern design, it adds a touch of elegance to any space. Display precious trinkets with pride knowing that you own one of the finest pieces in furniture by D.B. Imports! This case is also compatible with many of our fixtures such as our Island Counter (item 2119), Two Tier Counter (item 2119X) or Back Cash Wrap (item 2111BC).
