

2081 Tall Table w/ Two Hang Bars

Description

Our tall tables are the perfect addition to any retail display. Crafted with a sturdy and elegant design, these tables feature white high gloss table tops and stainless steel finished legs for a sophisticated look. With two convenient hanging bars that run parallel on either side of the table, you can arrange these pieces in multiple configurations while still maintaining stability and adding storage space. These tall tables pair well with our table risers (2080) and our nesting tables (2082). They are sure to bring vibrancy and life to your store or business environment.
