

Tall Table w/ Two Hanging Bars

Description

D.B. Imports Wholesale Display Fixtures brings you our tall tables â€“ the perfect display solution for your retail needs. Crafted from high-quality materials, these pieces feature a sleek white high gloss table top and brass finished legs that make any space look sophisticated and inviting. Equipped with two parallel hanging bars on either side of the table, customers have the option to arrange their items in multiple configurations without detracting from stability or decreasing storage space within each unit. These tall tables pair well with our table risers (2080) and our nesting tables (2082). Let this piece breathe life and vibrancy into your store or business.
