

7060 T- DP Telescopic Display Bar

Description

Our Telescopic Display Bar is the perfect addition to any store! This display fixture features a distressed pine brown finish and a sleek black metal base. It is easy to put up, making it the ideal way to showcase apparel or merchandise in your store. The telescopic design allows for maximum flexibility and usefulness. The bar has plenty of room for product tags and signs as well, making this an all-in-one solution for every business owner's needs. With its classic yet modern appearance, our Telescopic Display Bar will give your store an instant improvement.
