

Two Tier Counter

Description

D.B. Imports two tier counter is the perfect addition to any retail space for displaying merchandise and managing transactions. It features two shelves that provide plenty of storage, two drawers for organizing supplies, and a cash wrap section with ample room for large bills or credit cards payments. This piece will give your shop an elegant look while providing you with the necessary storage space needed to run a successful business. The two-tier counter also helps create an organized and professional atmosphere helping customers feel welcome and secure in their shopping experience. Combine with our counter stand (2119A) Island counter (2119) or Back Cash Wrap (2112BC) for a versatile surface & storage area
